Alison Thorne

I am a Marxist feminist. I first became involved in politics in 1979 in what was then called 'the mixed gay movement'. In 1982 I joined Radical Women and Freedom Socialist Party, both socialist feminist organizations. I have fought two workplace discrimination cases, one around lawful political belief and activity (gay rights) and one around lawful industrial activity.

Significant areas of struggle I have worked on include campaigning against Nazis / right wing populists and reproductive rights in their broadest sense.
